

## Bring back unique gifts from the Wisconsin Veterans Museum!

We have expanded our selection in the Gift Store presenting a wider variety of affordable Museum and historical items for kids so that they can remember their visit to the Wisconsin Veterans Museum.

Here are some of the things we offer:

- Historical Documents, Newspapers and Posters
- Civil War replicas of various buckles and patches
- Educational games for individual and classroom use
- Toys and plush items featuring Old Abe
- Dog Tags:

One of the most popular items that we offer at the Wisconsin Veterans Museum gift shop is the personalized dog tag. Visitors simply fill out the enclosed form with the \$6.00 payment (for each dog tag) to the museum. It takes only minutes and creates a gift that will last forever. We also offer Dog Tag Silencers in Black, Green Camouflage, or Pink Camouflage. The Silencers are \$2.00 per tag. If a Silencer is chosen, please make a (X) at the bottom of the form next to the color you would like.

For your convenience, tax is included with the price of the tag. Please make sure that all fields are filled out prior to visiting the museum.

Print your message in the boxes as you would like it to appear on the dog tag.

We can only print letters, numbers, and basic punctuation.
